

Set your printer to two-sided if you want the prompts to appear on the back of the clues.

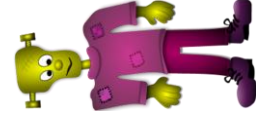

To start out this raucous Halloween,
Check the front room where you'd find a screen.

Away from the window, little ghosts flee
Look near the place where you watch TV

Careful, now! Don't hit your head!
Look in the room with the largest bed!

If you see a vampire, don't dare laugh
When he tells you to look closely in your bath.

Set your printer to two-sided if you want the prompts to appear on the back of the clues.

Give this clue to your littles to start out with

Put this clue in the front window

Put this clue on the entertainment center

Hide this clue in the master bed

Set your printer to two-sided if you want the prompts to appear on the back of the clues.

The bodies are floating with the fishes
but your next clue is where you do the dishes

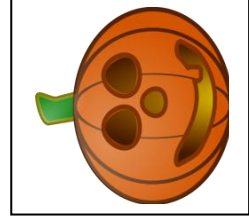

Even werewolves can turn over a new leaf
Find your next clue where you brush your
teeth

Stop looking at places that have a faucet
and look instead in the nearest closet

YOU FOUND IT!!

Set your printer to two-sided if you want the prompts to appear on the back of the clues.

Hide this clue around the bath tub

Hide this clue in the kitchen sink or dishwasher

Hide this clue near the toothbrushes

Place this clue on your candy
