

A Day on the Farm

In the big red barn, all the animals play all day in the grass and hay. There are pigs, horses, donkeys, goats, geese, sheep, roosters, hens, cows, mice, cats, dogs, and even a pigeon. Pick one of these animals and imagine what it would be like to be the animal living on a farm. Draw a picture of your animal, then write a story about its day on the farm.

Title

A series of 20 horizontal dashed lines spaced evenly down the page, intended for handwriting practice.
