### **Equal Voting Rights**

*Every man shall have an equal vote in affairs of moment. He shall have an equal title to the fresh provisions or strong liquors at any time seized, and shall use them at pleasure unless a scarcity makes it necessary for the common good that a retrenchment may be voted*

### **Shares of the loot**

*The Captain and the Quartermaster shall each receive two shares of a prize, the Master Gunner and Boatswain, one and one half shares, all other officers one and one quarter, and private gentlemen of fortune one share each.*

### **Weapons must be kept clean and battle ready**

*Each man shall keep his piece, cutlass and pistols, at all times clean and ready for action.*

### **No boys or women on board**

*No boy or woman [shall] be allowed amongst them. If any man shall be found seducing one of the latter sex and carrying her to sea in disguise, he shall suffer death.*

### **No Gambling**

*None shall game for money, either with dice or cards.*

### **No lights at night**

*The lights and candles shall be put out at eight at night, and if any of the crew desire to drink after that hour they shall sit upon the open deck without lights.*

### **No fighting between pirates on the ship**

*None shall strike another on board the ship, but every man's quarrel shall be ended onshore by sword or pistol in this manner: at the word of command from the Quartermaster, each man being previously placed back to back, shall turn and fire immediately. If any man do not, the Quartermaster shall knock the piece out of his hand. If both miss their aim, they shall take to their cutlasses, and he that draws first blood shall be declared the victor.*

### ***Punishment for cheating***

*Every man shall be called fairly in turn by the list on board of prizes, because over and above their proper share, they are allowed a shift of clothes. But if they defraud the company to the value of even one dollar in plate, jewels, or money, they shall be marooned. If any man rob another, he shall have his nose and ears slit, and be put ashore where he shall be sure to encounter hardships.*

### ***Punishment for desertion***

*He that shall desert the ship or his quarters in the time of battle shall be punished by death or marooning.*

### ***Pension for the wounded***
